At the Edge Hotel our 10th floor rooftop bar and restaurant, "Jimmy's on the Edge" opened in 2017, offering stunning views of Clearwater Beach Island and the Gulf of Mexico. While at Jimmy's enjoy our many Island cocktails or local craft beers on draft as well as many unique and traditional favorites from our menu. At night we feature a 30 foot projection screen showing your favorite music videos or sporting events to enjoy while at our 24 foot fire bar. See you at Jimmy's, for an "Over the Edge" experience.
